BARBOURVILLE, KY., FRIDAY, FEBRUARY 11, 1921

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

DAVIS WHOLESALE GROCERY BURNS

The Davis Wholesale Grocery Co. building, owned by J. Leonard Davis and situated at the back of the Arcade Store on the narrow street leading off the Public Square, was completely gutted by fire on Saturday night about 11:45 o'clock.

Pistol shots first punctuated the silence of the night, followed by the cries of "fire" and in a short time a crowd had assembled on the Public Square and were busy fighting the fire, in spite of a lack of proper wrenches and a hose that went up private fountain displays which did no one any good, the fire boys did such fine work that the buildings on either side, owned by L. G. Miller and T. G. Moren & Son, of London, were not injured. It was reported that the latter started to burn but was treated to such a soaking the fire was soon extinguished.

It is a blessing there was no wind and the flames shot upward or the damage would certainly have been much greater. As it was it looked very dubious for a while, but the fire fighters put up such a stubborn barrage that the flames were confined to the one building.

There is some insurance on the stock but it will not nearly cover the loss sustained.

It is said there is a lack of tools and wrenches for the hose unions and that these had to be supplied by stores. Some of the hose is rotten and should be duplicated with good hose. The fire equipment of the city should be top notch and should be given into the care of someone who will not only look after the proper selling of the hose, but who will report when the hose gets into bad condition. If we ever have a big fire and lack a supply of hose it will be a serious matter.

HAMMONS-MILLER

The marriage of Miss Amanda Hammons and Mr. Hugh Miller was consummated at Cumberland Gap Tuesday evening, February 8th, Rev. R. W. Brooks reading the marriage ceremony. Mr. and Mrs. Oscar Mealer accompanied the young couple to the Gap.

The bride is a girl of great sweetness of character and is known to people from all over Knox County from her employment as clerk in the New York Store. It is doubtful if any girl has more friends here than Miss Amanda.

Mr. Miller is a young man of fine character who is associated in business with his father, Jordan R. Miller.

The young couple will stay with the parents of the groom for a few days until they settle in a home of their own.

The Advocate extends its best wishes to the bride and its congratulations to the groom on his good fortune in securing such a charming young lady to share his lot.

When needing good job printing please remember that the Advocate does good work and that it is done promptly.

OUR WATER IS PURE

Lexington, Ky., Feb. 4, 1921.
Dr. G. H. Albright,
Barbourville, Ky.
Dear Doctor:

The samples of water sent by you for analysis and received January 29th have been examined with the following results:

Sample No. 1—Well water, City Water Co.—

Results of examination indicate that this water may be safely used for domestic purposes.

Sample No. 2—Well Water, City Water Works—

Results of examination of this water same as that of No. 1.

Sample No. 3—Well water, City Water Co.—

Results of examination of this water same as No. 1.

Very truly yours,

J. O. LABACH,

Director of Laboratories.

CARD OF THANKS

Mrs. Wm. Mc Stewart and family wish to express their heartfelt thanks for the beautiful flowers sent by the staff of the Cumberland & Manchester R. R. as a tribute to the memory of our beloved husband and father, Wm Mc Stewart.

GREAT NEWS

Fiscal Court Puts Thru Two Most Important Measures

The Knox County Fiscal Court on Monday agreed to furnish funds for two officers, one of those being a County Nurse and the other a County Agricultural Agent.

The members of the Fiscal Court are to be congratulated for their broad vision in not only looking after the development of the stock of the County but also after the health of the young people. It has been a reproach cast at many states as a whole that they have spent money more freely for the betterment of the stock and agricultural interests of the people and children who are the hope and stay of the nation, have been neglected.

That a happier day has dawned in our community is apparent. The County Agent will spend all his time in the County working with adults and boys and girls and the County Nurse will do the same in her own sphere.

Mr. J. M. Feltner, District Agent for Boy and Girl Club work, with headquarters at London, who has already done so much for the work here, spoke for the appointment of an all time agent and Robert W. Cole and Dr. Leslie Logan for the services of the nurse.

Credit should also go to the initiative of our County Superintendent who has worked for both appointments, believing as he does that better agriculture and health go together.

It is a distinct step forward and the Advocate stands ready to use its columns in support of the work of both.

G. B. Detherage spent a pleasant Sunday with his parents at Swan Lake.

J. M. FELTNER EXPLAINS WORK OF COUNTY AGENT

On Tuesday morning Mr. J. M. Feltner, of London, district agent of the Department of Agriculture, appeared before a number of citizens and spoke on the projected work of Earl Mayhew, our new County Agent.

He was introduced by Judge J. D. Tuggle as also was Earl Mayhew, who was present.

Mr. Feltner then read an outline of the line along which Mr. Mayhew will work. If it meets with the approval of the County Court and committee of citizens who will be called on to advise as to what they think best.

Poultry—The speaker said he believes poultry will bring in more than hogs and cattle in Knox County and said that a test of the producing powers of the hen in Missouri showed a net profit of \$4.50 per hen. He urged the standardization of breeds for the County, the kind chosen to be pure and well bred. In this connection it was pointed out that Eastern Kentucky has largely standardized on Rhode Island Reds but up to the present time in Knox County the White Plymouth Rock has been the favorite. If eggs of the latter can be obtained in sufficient quantities probably no attempt will be made to change the breed. Rhode Island eggs are easy to obtain, due to the fact that they are largely bred in Eastern Kentucky.

The work will include co-operation of the hanks, not only with money but also with eggs.

Culling campaigns will be inaugurated and an effort will be made to bring the eggs up to a standard of the same size and color.

Lime and Fertilizer—The importance of this treatment was stressed as being the foundation of better farming in Knox County.

In this connection the speaker pointed out that the business should be handled by local firms who, however should be content with a small profit. They will be enabled to buy in carload lots and will be given information as to the cheapest places at which to buy.

A city can be built on the Sahara Desert, given the co-operation of the men and the same applies to Knox County farming.

Orchards—Demonstrations by specialists were promised as well as the personal attention of Mr. Mayhew.

Small Fruits—The speaker urged the growing of enough small fruits, such as strawberries, etc., first for home use and later for commercial development.

This County is nicely fitted for grapes. This County is nicely fitted to the growing of grapes and the market is good for commercial growing.

Club Work—The importance of the work among the young people was stressed. Knox County has the largest boy and girl agricultural club in the United States at Logan Gap and it is hoped shortly to have 500 enrolled in various clubs over the County for a start.

A Community Fair, County School Fair, a County Camp for boys and girls of Knox and Clay Counties, with instructors from the State University and Washington are among the pleasures and instruction projected. They will be trained to use their hands, will be examined and instructed by doctors and nurses and the religious side will not be neglected.

A district conference of the boys and girls of the surrounding counties will be held this year in Barbourville, the visitors being banquet guests of the citizens.

Corn, Fruit and Poultry Show—This will be held in November.

Pure Bred Stock—A pure bred hull association and also pure bred hour association will be formed.

Improved Methods of Farming—This will apply to children and such adults as may wish to take advantage of the instruction.

Dairying—Mr. Feltner stressed the importance of dairying, stating that dairies are always prosperous and have rich soil. It will mean sales, milk testing, etc. No place has better markets at its doors for dairy products than has our County.

County Agent Headquarters—Mr. Mayhew will be expected to be in his office Saturdays for consultation with the farmers and for the distribution of literature.

Exchange Board—A board will be devoted to the exchange or sale

or purchase of stock. This will be in the Court House and farmers may consult it for their needs.

Club Community County Organizations—There will be a meeting each County Court day, the first meeting being on February 28th when poultry fruits and seeds will be discussed. Every one is invited to attend the meeting.

Roosters Club—This will include all classes of citizens who have the welfare of the County at heart and who are prepared to help this work along.

Extension Department Publications—A mailing list will be made of those who desire bulletins on any subject.

County Community Development Campaign—Extension men, educational men and as many business men as possible will make visits to every school in the County to boost their different lines of education.

The meeting then adjourned to meet Wednesday.

WEDNESDAY SESSION

A number of farmers met in the County Court room Wednesday to hear and discuss the work to be done by Earl Mayhew, and we are pleased to report that J. Frank Hawn will handle the fertilizer ordered by the farmers at cost. This is good work and Mr. Hawn is to be congratulated on his farsighted policy.

LYCEUM NUMBER AT U. C. CHAPEL VERY ENJOYABLE

On Monday night at Union College Chapel, Miss Florence Zander, harpist, and Miss Athel Lindorf, reader and impersonator, were responsible for an evening of pure enjoyment.

Miss Zander handled the harp as she loved it and the harp responded with all the enthusiasm a good harp will show when played by one who knows how, as Miss Zander certainly does know.

Miss Lindorf is a most skillful impersonator and reader and her delineations of elderly people, while without ridicule, were Dickensian—people one might really meet.

A touch of local color was added to the occasion when, after the program, Mr. Edmond Davies was introduced to Miss Zander and himself played some beautiful airs. Seven years ago Mr. Davies' harp was broken and it was a pleasure to him to handle another as it was to Miss Zander to hear him.

CITY COUNCIL BUSY

At the last meeting of the City Council held Friday night, W. H. Main, A. C. Mitchell and J. T. Moore were appointed a committee to confer with Judge Tuggle and the property owners in regard to the right of way for the Dixie Highway, the contract for which will be let as soon as the right of way is cleared up. At present the road projected will leave the Manchester road near Uncle Peter Jarvis' place and go back of the Treadway, Drake, Hubbard and Fletcher properties. This is necessary to keep the road out of high winter.

The government, it is understood, will concrete wherever it is necessary to prevent overflow on the Dixie Highway.

MICKIE SAYS

SURE! THERE'S ALWAYS TWO OR THREE BUSINESSMEN WHO GET THEIR PRINTING DONE OUT TOWN 'N THEN HOLLER LIKE A GANG O' WOOLVES BECAUSE THE EDITOR AINT RARIN' TO RUN A COUPLA COLUMNS OF STUFF FREE EVERY WEEK BAWLIN' OUT FOLKS WHO BUY A LIL ORDER OF GOODS YOUNST IN A WHILE FROM A MAIL ORDER HOUSE!

ABRAHAM LINCOLN AT UNION COLLEGE

As February 12th approaches, our thoughts turn with ever increasing admiration and reverence to the man whose natal day we are about to celebrate. The literary world has never yet been satisfied with its efforts to set forth the elements of character that made Abraham Lincoln great. John Drinkwater, an English poet and playwright, in 1918 gave to the world one of the greatest dramas of our time—a truly great drama, because it centers around the character of America's greatest hero, Abraham Lincoln. A nulled excerpt of this play will be given by the Senior Academy Class in the Chapel of U. C. Monday evening, February 14th, at 8 o'clock.

WARM YOUR OWN HEART BY HELPING LITTLE CHILDREN

Five hundred pennies, each coin representing a deprivation, were received last week from poor children of Louisville as a gift to the starving children of Europe, thru the European Relief Council. The little givers took from their meagre store a penny, here and there, to show the heart-felt interest of the poor for others, even more unfortunate.

The children who made up the fund live near the Union Gospel Mission of Louisville.

The fund of \$33,000,000 with which to feed 3,500,000 children one warm meal a day until the next European harvest is not two thirds completed.

Checks of contributions may be sent to Richard Bean, Treasurer of the Kentucky European Relief Council, at any bank in Kentucky.

STILLER

The death of Mrs. Martha Miller, widow of the late Mr. Joseph Miller, occurred at the home of her daughter, Mrs. R. N. Cornett, Wednesday, February 9th, at 11 p. m.

Mrs. Miller was born in Knox County February 26th, 1834, and was thus almost 87 years of age at her death. She has lived here all her life.

Deceased was a member of the Methodist Church and had been for over sixty years. She was a woman of splendid integrity of life and raised a numerous family in the principles of decency and right living.

Mrs. Miller was a daughter of Lawson Grindstaff and survived her whole family except her youngest brother, Jordan Grindstaff. Her husband died Feb. 13th, 1918.

The surviving children are L. C. Miller, Judge J. S. Miller, Mrs. Sallie Higgins, Mrs. Nannie Hoskins, Lawson Miller, Jordan Miller, Mrs. Florence Cornett, Hugh Tam Miller.

The funeral was held Friday, Feb. 11th, at 1:30 p. m. Rev. E. T. Franklin officiating.

Interment was in the Barbourville City Cemetery.

The pallbearers were her grandchildren, namely, Larkin Miller, Jr., Herbert Miller, Joe Higgins, James Wilson, Denver Miller and Harold Miller.

LEGER-PICKARD

Mr. Cornellus A. Pickard, of Garfield, and Miss Ida Leger, of King, were quietly married at the home of the bride February 2nd. The marriage rite was performed by Rev. S. A. Elam, minister of the Baptist Church.

Mr. Pickard is the son of James M. Pickard, of Rockville, and Miss Leger is a daughter of W. J. Leger, of King. Both the young people are teachers in the Knox County schools where they have made names for themselves as able teachers.

We wish to extend to them a hand shake and hearty congratulations and wish them to know that we rejoice in the joy that has come to them.

A FRIEND.

LOGAN SANITARIUM NEWS

Mrs. Hassie Morris has been discharged from the Sanitarium, cured. Mrs. R. C. Stacy, of Girdler who was operated on Monday for appendicitis, is doing nicely.

Mrs. M. R. Taylor, of Corbin, was operated on for appendicitis and is doing well.

Miss Maude Cecil, of Pennington Gap, Va., underwent a bone operation Wednesday.

Mrs. T. J. Davenport, of Artemus, underwent an operation for appendicitis Wednesday and is doing fine. Miss Bessie Hammons continues to improve.

PARROTT GARAGE MAKES IMPORTANT DEAL

Judge B. B. Golden, J. S. Golden, C. B. Parrott and Lynn Golden, who owned an equal share in the Parrott Garage, Barbourville and Pineville, on Wednesday Feb. 10th, sold the Pineville property to Dr. John S. Cornu for the sum of \$33,333.33. \$25,000 worth of new cars were also transferred, making the total deal around \$60,000. The first mentioned parties will receive a divided profit from these cars as they are sold, cash being paid for the garage property.

The present garage in Barbourville will be enlarged to take care of the Ford business, and another building will be used to handle the Dodge cars for which the Parrott Garage has the agency.

NOTICE

To Our Friends and Patrons:—Owing to the great wave of robbery and other crime sweeping over the country, and upon the recommendation of The American Bankers' Association and the Kentucky Bankers' Association, the undersigned have decided for the present to close from noon to one o'clock each day so that all employees may go to dinner at one time, in order that there may be as many employees as possible present in the banks at all times when open for business.

So beginning Monday, February 14, 1921, the banks will be closed each day from noon to one o'clock. NATIONAL BANK OF JOHN A. BLACK, by W. R. Lay, Cashier. FIRST NATIONAL BANK, by Robert W. Cole, Cashier.

Satisfactory Banking Service

depends upon facilities which satisfy the most exacting customer, and resources ample to meet legitimate loan requirements of the community.

This bank, the largest in its community in Capital and Surplus, offers its patrons these facilities and possesses the requisite resources. Membership in the Federal Reserve System enables it to handle collections, bill of lading items, etc. to great advantage, permits it to loan its assets more closely—in fact—to serve its community in exceptional ways.

COLLEGE NOTES

Cheslie Franklin, one of the Var-
sity men has been out of the game
with measles for the last two weeks.
It is expected that he will show up
for practice very soon.

Mr. Houser has started work on
the bleachers for the gym and ex-
pects to have quite a number com-
pleted for the game Saturday even-
ing.

Mr. Hobart Munsey, brother of
Paul Munsey, one of our College
Students, on a business trip to Har-
lan, stopped off for a few days with
Paul. He will, perhaps, make Har-
lan his headquarters for a while.

Our next basketball game will be
played Saturday night with London,
unless a game can be arranged with
Knoxville High; if so we shall play
London Monday night.

Miss Hallie Minter is yet at Dr.
Leland's Hospital; she is improving
as well as might be expected.

Mr. Sarah W. Smith, a Freshman
student at the University of Lexing-
ton, who will continue his preparation for
a medical course.

Miss Jessie Smith, a former
student of Union College, has re-
turned and is warmly greeted by all
her friends.

Miss Jane Keith, student at the
college, who is ill at her home, is
reported as no better.

Miss Alma Robinson has been re-
moved from the Riverside Hospital
at Knoxville to her home in Benham.
After a much needed rest she will
be with us again in her school work.

Both of our basket ball teams
went to Williamsburg Friday after-
noon to play Cumberland College.
Both games were hard fought from
start to finish. The games were lost
to our rivals the score being 17 to 7
in favor of the C. C. girls and 31
to 19 in favor of the C. C. boys.

The Varsity Team retrieved its
reputation on Monday afternoon
when they defeated Berea College
team 20 to 10 at Berea. Blair, the
star guard of the Union Team, met
with a slight accident during the
game. One of his beautiful, white
teeth was knocked from his upper
jaw in a head-on collision with the
Union center.

Both Literary Societies met as
usual Saturday afternoon and had
very interesting programs. Our
friends from town are especially in-
vited to these meetings.

HOW DOCTORS TREAT COLDS AND THE FLU

First Step in Treatment Is a Brisk
Purgative With Calotabs, the
Purified and Refined Calomel
Tablets that are Nausea-
less, Safe and Sure.

Doctors have found by experience
that no medicine for colds and influ-
enza can be depended upon for full ef-
fectiveness until the liver is made thor-
oughly active. That is why the first
step in the treatment is the new, nausea-
less calomel tablets called Calotabs,
which are free from the sickening and
weakening effects of the old style calomel.
Doctors also point out the fact
that an active liver may go a long way
towards preventing influenza and is one
of the most important factors in en-
abling the patient to successfully with-
stand an attack and ward off pneu-
monia.

One Calotab on the tongue at bed
time with a swallow of water—that's
all. No salts, no nausea nor the slight-
est interference with your eating, pleas-
ure or work. Next morning your cold
has vanished, your liver is active, your
system is purified, and you are feeling
fine, with a hearty appetite for break-
fast. Druggists sell Calotabs only in
original sealed packages, price thirty-
five cents. Your money will be cheer-
fully refunded if you do not find them
delightful.—(Adv.)

COUNTY TAX COMMISSIONER EXAMINATION

Frankfort, Ky., Feb. 5, 1921.
Mr. James Golden,
Barbourville, Ky.

Under Chapter 11, Sub-Section 4
of the Acts of the 1918 General As-
sembly, we are required to send to
you by the second Monday in Febru-
ary the questions to be propounded
to the applicants for County Tax
Commissioner, and this is to advise
you that these questions have not
as yet been printed but will be sent
to you as soon as we receive them
from the printer.

We have had requests from one
or two County Attorneys to desig-
nate somebody else to hold this ex-
amination for the reason that they
have kinemen who will be applicants
in this examination, but under the
law we are not allowed to do this,
but for your information, and in or-
der that you will know that the seal
was broken in their presence and
that the questions answered were
sealed in their presence to be returned
to the State Tax Commission.
You will be expected to return this
envelope to us properly signed.

This examination, of course, you
understand is to be held on the sec-
ond Monday in March, which is the
14th.

Yours very truly,
STATE TAX COMMISSION,
J. N. Scott, Chairman.

Nothing is ours until we share it.

mary in August, 1921.

THOUGHT HIS TIME HAD COME, HE SAYS

Springfield Man Says His Condition
Was Alarming Before He
Began Taking Tanlac

"I have just finished my third bot-
tle of Tanlac and have already been
relieved of a condition that was get-
ting to be alarming," declared A. J.
Kills, a carpenter, living at 27
North William St., Springfield, O.,
the other day.

"For two years previous to taking
Tanalac I had never been able to
work more than four or five days at
a time. I had no appetite and ac-
tually dreaded to eat, for even the
little I managed to force down bloat-
ed me up with gas and made me sick
at the stomach and so short of
breath I sometimes thought my time
had come. I had spells of dizziness
and was so nervous at times I could
not hold a nail long enough to drive
it, and felt dull and languid all the
time. During the winter of 1918
I was unable to hit a lick of work,
and the following winter it was not
much better.

"But it's a fact, I haven't had a
touch of indigestion since I finished
my first bottle of Tanlac. I have a
corking big appetite and eat things
I never dared touch before and every-
thing agrees with me perfectly. My
nerves are steady as a clock, I feel
fine all the time, and never lose a
day from work on account of sick-
ness. Everybody I meet these days
wants to know what has got me to
looking so much better, and I am
always more than glad to tell them.
Tanalac."

Tanalac is sold in Barbourville by the
Cut-Rate-Drug Co. in Artimus
by J. G. Haskin and in Periman by
N. J. Faulkner & Co.—Adv.

REPORT OF RED CROSS NURSE

The following is the report of Miss
Edie Jump, the Red Cross Nurse, for
the month of January:—

Total cases during month.	25
Cases dismissed.	19
Recovered.	15
Improved.	2
Died.	2
One of the above cases was sent to a hospital.	
Ages of patients ran from three years up.	
Visits made 125. Talks given 13.	
Cases visited were:—prenatal 1	
obstetrical 1, pneumonia 1, typhoid	
3, tuberculosis 2, well babies under	
supervision 3, communicable dis-	
eases 3, all others 1.	
Number of free patients 25.	
In the Barbourville High School and B. B. 1, of 326 children exam- ined the following defects or diseases were found:—Defective vision 17, nasal obstruction 33, enlarged tonsils 152, defective teeth 150, scabies 4, eczema 1, measles 3, deformities 1	
Visits to homes of children 13.	
Talks to children 20.

C. I. FRANKLIN

Furs and Climates.

The furs of animals whose habitat
is in warmer countries is not so dura-
ble, does not form as good leather and
is less supple than the furs from the
animals living in colder climates.

Good Servant, Poor Master.

It is well to have a hobby, says the
New York Medical Journal. It is well
to have a hobby which can be used as
a faithful servant. It is well to have
a hobby as long as you can ride it,
but when it begins to ride you it is
better to look about for another steed.

Infection on Tableware.

Experiments by Dr. J. C. Cumming
prove that infectious diseases of the
throat and lungs are transmitted easily
by washing forks and spoons that have
been used by the sick in the same
water as tableware for the rest of the
household.

One Proper Pride.

Pride is one of the seven deadly
sins; but it cannot be the pride of a
mother in her children, for this is a
compound of the cardinal virtues—
faith and hope.—Charles Dickens.

A Strong Witness

Natchez, Miss.—"The best med-
icine I have ever used in my home
is Dr. Pierce's. We have used the 'Gold-
en Medical Discovery' as a blood med-
icine and as a tonic, also for deep-seated
coughs and weak lungs, and it was
excellent.

"I always keep Dr.
Pierce's Pleasant Pellets in my home
for use when needed. I have given
them to my children since they were
quite small. They can be given with
safety to the smallest child, owing
to their being free from any injurious
drugs. They regulate the stomach,
liver and bowels in a mild, but very
effective way. I cannot speak too
highly of Dr. Pierce's medicines."

MRS. J. B. GILBERT, 212 St. Cath-
arine Street. All druggists.

VICTOR A. JORDAN Being Pushed For County Attorney

Victor A. Jordan is being urged by his many friends to enter the race for County Attorney of Knox County on the Republican ticket.

He was admitted to the bar nine years ago and has been successful in his practice.

He is also a farmer and lives on the farm where he has lived all his life.

If he decides to enter the race he will make it warm for his opponents as he is a mixer and a sticker and will be hard to beat.

GODD ROADS BILL PASSES

Washington, D. C. Feb. 9, 1921. Editor Mountain Advocate, Barbourville, Ky.

House passed bill authorizing one hundred million dollars for roads this year.

J. M. ROBSON

STEWART

The death of Mr. Wm. Mc Stewart of Artemus, occurred at his home, Thursday, February 3rd, at 7 p. m. death being due to complications.

Deceased was born seventy-five years ago and spent his entire life in Knox County. He is the father of seventeen children, sixteen of whom are still living, eight boys and eight girls. Thirteen of the children attended the funeral. His wife also survives him.

The funeral was held Saturday at the home, Rev. Carroll and W. R. Markey officiating. Interment was in the Pleasant graveyard near Artemus.

Beautiful floral offerings were sent by the staff of the Cumberland & Manchester Railroad.

CIVIC LEAGUE MEETING

The Civic League held its regular meeting at the home of Mrs. D. M. Humfleet on College Street with a large number present.

Mr. Carey sent in a report that the boys in his manual training class at the High School are making fly traps which they can sell at 75cents and one dollar, the money going to needed equipment for the class.

After the discussion of matters of interest to the League, Dr. J. H. Albright, our efficient County Health Officer, made a very interesting talk concerning his work and what needs to be done to bring us up to a sanitary standard to insure good health.

The hostess, assisted by Bernice Hamflet and Deborah Ryder, served delicious hot chocolate and cake during a social half hour.

The next meeting will be with Mrs. F. D. Sampson at 3 p. m. Thursday, Feb. 17th.

NEW OIL OPERATIONS

Near King Formerly a Producing Section

Months ago, the Advocate urged thru its columns the testing out of the King section for oil and gas. Mr. Jones, the lumber man, has arranged for the drilling of a deep hole in that section and leases are being bot up rapidly.

In this connection, it will be remembered, that some years ago oil was struck in heavy quantities. At that time oil was worth very little and being merely a stock proposition the development of the section was not pushed.

A well was also struck on the farm owned by the St. John's School, in East Corbin, and oil rose thirty feet above the surface. As the drillers were after gas to supply Corbin, the development was not proceeded with due to the low price of oil. This well is plugged and only needs development to make a good thing for some one, should it turn out to be profitable as it looked when drilled.

There will be considerable drilling activity in the County this year.

WILTON NEWS

North Jellico Coal Co. ran four days last week.

Lee Campbell, of Indian Creek, and Joe M. Helton swapped hogs last week.

Wilton boys are enjoying the fun of fox hunting.

John Engle is preparing to build new houses on his place.

Wet weather has set farm work back.

Hurrah for old Indian Creek! We are glad to hear from Dad's Little Yaller Dog thru the Advocate.

Mrs. Lula Moore and Mrs. West of Wilton, were visiting Mrs. Lida West Tuesday.

Hurrah for the Mountain Advocate! It looks like every boy and girl would sign for it. Only \$1.50 a year That is cheap to get the good news of your home county.

The damage to the goods moved from the Arcade warehouse Saturday night is estimated at \$200.

DANGER IN DELAY

Kidney Diseases are too Dangerous for Barbourville People to Neglect

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, and nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's Disease often follow in merciless succession. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, that are so strongly recommended right here in this locality.

Mrs. H. F. Davis, Maple St., Wilksburg, Ky., says:—"My kidneys were in bad order and I had soreness and dull aching across my back. Black specks seemed to float before my eyes and I had dizzy headaches. My ankles and wrists were swollen, sore and stiff. I used Doan's Kidney Pills as directed and they helped me, in every way. The backaches left, and I was free from headaches and dizziness and other symptoms of kidney troubles."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davis had. Foster-McBarn Co., Mfrs., Buffalo, N. Y.—Adv.

NO BAKERY IN BARBOURVILLE IF BUILDING IS NOT FOUND SOON

Some time ago Barbourville was without a bakery to the great inconvenience of our citizens. It looks as though we are again to be in the same plight as no suitable building has yet been found for the present bakery.

KING NEWS

The Madden Lumber Co. has started up again and he says he is going to run this year regardless of the price of lumber.

James Mat Greenville, of Louisville, passed thru King last Friday on his way to Flat Creek to take charge of the Lyons & Perkins Lumber Co. teams which are logging for the mill. The sawmill is running a full crew of hands and work every day of the week.

G. N. Sharp, W. B. Sharp and Minnie Sharp, of Miley Bend, purchased a farm from C. A. Terrell of Clate. The purchase price was \$3,500.00. The farm contains about 200 acres.

Oil business around Clate is beginning to look good again. Drilling is expected to commence within a few weeks. There has been some delay on account of the illness of Mr. Jones. We hope for his speedy recovery.

There is quite a rush on at Flat Creek for oil leases. Different parties are securing all they can get and gas leases. We hope we shall have a fair test this time. We would rather have some 2,000 ft wells than so much leasing.

Joe Mays was called to Flat Creek last Friday on business.

Buby Hull has small pox. He is getting along nicely.

Farming is beginning in this section and plowing is being done.

Reese Mays is in the fur business again. He purchased a nice lot of fur from J. R. Partin on which he made a pleasing profit.

Several of the boys enjoyed a possum hunt Saturday night catching three.

Private E. G. Mays, who is in the hospital at Pittsmons, Denver, Colorado, will be discharged Mar. 1.

KNOX FORK NEWS

From Last Week.

Prayer meeting at this place is progressing nicely. Services will be held every 1st Saturday night and Sunday by Bro. Harding Young, of Barbourville.

Will Taylor and family have moved from Crab Orchard to this place.

Alex Stanberry and family have gone to Oklahoma to visit their sons. Aunt Sallie Stanberry is quite sick at present.

The little son of Martha Taylor is quite sick.

Mrs. Sarah Brown, of Tuttle, Ky., is visiting her daughters Mrs. G. C. and C. A. Humfleet.

James Blanton is home from Corbin after serving one year in the army.

Arthur and George Smith and Simon Blanton are with home folks again.

C. S. Hall has returned from Jackson County where he has been visiting his mother and other relatives.

Miss Betty Powell is attending school at U. C. this winter.

Miss Lena Donaldson has returned from Corbin where she has been taking a treatment for her eyes but is now suffering from a sprained hand and foot.

Sidney Taylor has moved to the J. M. Stanberry place.

B. H. Donaldson and family have moved to Emanuel.

Success to the Advocate.

FOR-GET-ME-NOT.

When Collector is Lucky.

Daring Slim's intercourse with China for many centuries in the past unknown quantities of the finest china were brought over for the noble and royal households of Spain, and occasionally some of these pieces may be found and bought.

COMMISSIONER'S SALE

By order of the Knox Circuit Court rendered at its November Term, 1920, in the case of Dora Jarvis, Guardian

Plaintiff

against

E. C. Jarvis, Et Al.,

Defendants.

I will, as Master Commissioner, on the 28th day of February, 1921, same being the first day of the February Term of the Knox County Court, sell at the Court House, door in Barbourville, Kentucky, to the highest and best bidder, the following described property, boundary of timber, to satisfy the judgment in said case, and \$50.00 probable cost.

Description:— All of the merchantable timber 12 in. in diameter and over on the boundary of land consisting of about 500 acres on the waters of Big Richland Creek and known as John D. Jarvis farm. Said timber consists of hickory, white oak, poplar and various other kinds of timber.

Said property will be sold on a credit of three months, purchaser to execute bond with approved security bearing interest at six per cent from date, having the force and effect of a judgment and retaining a lien on said property until the purchase money is paid.

WITNESS my hand, this the 9th day of February, 1921.

J. R. JONES, Master Commissioner, Knox Circuit Court.

Sale about 1 p. m. Purchaser must execute bond as soon as sale is over, or the property will be immediately put up and resold. 15-31

A man's business is often judged by the stationery he uses. Try the Advocate for job printing.

HINKLE

Jeffrey D. Hinkle, son of Mr. and Mrs. Geo. Hinkle, both being dead, was killed at Evans, Ky., Wednesday, Feb. 3rd, when he fell while throwing a switch on the L. & N. at his duty as brakeman.

His father and mother both died when he was six years old. He was then taken to the Odd Fellows Home in Lynchburg, Va., and remained for several years. He served in the Navy for two years coming to Barbourville about two months ago. He got a job working on the railroad as brakeman and worked a little over one month, when he had the misfortune of losing his life.

He leaves three brothers and one sister to mourn their loss, none of whom could be with him. His small-est brother and sister are still in the Odd Fellows Home. The other is in the Navy.

Jeffrey was born April 14, 1903.

The body was brought to Barbourville Thursday.

Other relatives are three aunts and one uncle who mourn their loss, Mrs. J. T. King, of Barbourville, Mrs. J. M. Carnes, of Richmond, Ky., Mrs. Julia Carnes, of Lexington, Ky., and W. A. Hinkle, of Barbourville.

The funeral service was held at the residence of Mr. and Mrs. James Hinkle at 2 o'clock Friday.

HEIDRICK NEWS

John Smith has bought another horse.

DAD'S LITTLE YALLAR DOG

Poison in Bee's Sting. The secretion of a honey bee's sting is about six-thousandths of a grain, two-thirds of which is water. The rest is the poison.

The NEW EDISON

"The Phonograph with a Soul"

"Who is the most sophisticated man in New York?" Mr. Edison selected Wm. J. Burns, who gladly made the Mood Change test to assist Mr. Edison in his research work. Mr. Burns' Chart is reproduced. Mr. Edison needs thousands of these charts. Won't you help him by filling out a Chart?

MOOD CHANGE CHART	
An Analysis of Your Mental Reactions to Music, as Re-Created by the New Edison. "The Phonograph with a Soul."	
Date of Test: Nov. 16, 1920	
1. Place (Name of Room)	
2. Time (Month & Season)	
3. Weather (State & Season)	
4. What kind of music did you feel like hearing? (List at least 3)	
5. What was your mood immediately preceding test? (List at least 3)	
6. As a result of the test, what were your most noticeable mood changes? (Serious to gay, gay to serious, worried to carefree, nervous to composed, etc.)	
7. Please comment on manner in which mood changes occurred:	

WM. J. BURNS
Head of Wm. J. Burns International Detective Agency

Wm. J. Burns filled out the first Mood Change Chart

Will You Fill Out a Chart for Mr. Edison?

MR. BURNS pronounced the test most interesting. He enjoyed it and was glad to help Mr. Edison.

You'll enjoy filling out a Mood Change Chart also—and we know you will eagerly help the great inventor in his latest research into the effects of music on the minds and moods of mankind.

Read Mr. Burns' Chart. Then come to our store. Make the test. Learn how music affects your moods. Your Chart will be sent to Mr. Edison.

If you own a New Edison, ask us for a supply of Charts and invite your friends for a Mood Change Chart party. They will find it more entertaining than the Ouija board. If you do not own a New Edison, we will lend you an instrument with a supply of RE-CREATIONS, for giving a Mood Change Party.

The New Edison has perfect realism. Its RE-CREATION of music cannot be distinguished from the original music. This makes it possible for every home to enjoy the full benefits of the world's best music.

SOUR STOMACH INDIGESTION

Thedford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.—The efficiency of Thedford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Thedford's Black-Draught Liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Thedford's. E. 68

Found—A pocketbook Wednesday. Please describe to Frank Catron and pay for advertisement.

Chas. Baker, of London, was here on business Friday and was the guest of Mrs. D. Vincent.

We are in receipt of a letter from the Petaluma Chamber of Commerce California, asking us to take up with our representatives in Congress the question of excluding the Chinese eggs which are flooding the country to the detriment of the American farmer. It would seem that in view of the fact that in raising in China the eggs and be more profitably used at home.

Richard C. Miller, sheep expert of the Extension Department, Lexington, recently received an offer from Cornell University at a salary of \$3,000 per year to work along his line. He declined the offer as he expects to make a trip to Scotland this year to study the sheep industry in that country. He will also travel thru England and look over the sheep breeding places there.

Get Busy—Keep busy. Is your job unsafe? Is it permanent? You want a life-long business. You can get into such a business, selling more than 157 Watkins products direct to farmers if you own auto or team or can get one. If you can give bond with personal sureties. We back you with big selling help; 52 years in business; 20,000,000 users of our products. Write for information where you can get territory. J. R. WATKINS CO., Dept. 111, Winona, Minn.

Baseball season is approaching and our citizens should get behind the movement to put a first class baseball team in the field. It will cost some money to have a good team but it is worth it. Instead of a subscription list which calls for payment of a certain sum monthly, the whole of the money should be paid down so the team may know exactly where it stands. Too often the monthly subscription is not forthcoming and the team is left to hold the bag.

Baseball season is approaching and our citizens should get behind the movement to put a first class baseball team in the field. It will cost some money to have a good team but it is worth it. YOU don't use as much of Calumet as you do of most other Baking Powders. It has more than ordinary leavening strength. You save about half.
You don't pay a big price for Calumet. It's sold at a moderate price—that represents another saving.
You don't feel uncertain as to results. Baking never fails—because Calumet never fails below the proven standard of "Best by Test."

Use only half the amount usually required CALUMET BAKING POWDER "BEST BY TEST"
It possesses the highest quality ever put into a Baking Powder. Contains only such ingredients as have been officially endorsed by United States Food Authorities.
For weeks, for months, it keeps as fresh and full of strength as the day it left the Calumet Factories, the World's Largest, most Sanitary and Modern Baking Powder plants.
It is important that you use only straight wheat flour (not self-rising flour) and pure baking powder if you wish to obtain the gluten demanded by sound health.

J. H. JONES SELLS FARM
J. H. Jones has sold his farm on Goose Creek on the Cumberland and Manchester Railroad, for the sum of \$3,750. It is understood the purchasers will cut up the farm and sell it in smaller farms at public auction about April 1st to 15th. The farm is located near the railroad and has good neighbors in the persons of J. C. Jones, Jack Gilbert and Marcus Hammons, of Fornt.
